Greater Noida, Delhi NCR

# **TOPIC :**

## **The Diagnostic Mindset: A Complete Guide to Comprehensive Differential Diagnosis for Busy Pet Practitioners**

Effective diagnosis begins with the right mindset. This continuing education program is designed to enhance the clinical reasoning skills of small animal practitioners by refining their approach to differential diagnosis across a wide range of presentations. Through a practical, case-based format, participants will revisit the foundations of diagnostic thinking—from data gathering and problem list formulation to prioritizing differentials and selecting appropriate diagnostic tests.

Whether tackling common clinical complaints or puzzling complex cases, this CE Program will help clinicians sharpen their diagnostic approach, avoid common pitfalls, and apply systematic reasoning to everyday practice. Attendees will gain renewed confidence in formulating and narrowing differential lists, improving both diagnostic accuracy and patient outcomes.

# WHAT WE ARE GOING TO LEARN...

Neurology Unlocked: Fast & Confident Neuro-Localization for Busy Clinicians

The Lameness Lab: Orthopedic vs Neurologic?  
A Stepwise Approach to Gait & Pain.

Cardiac or Respiratory? Mastering the Art of Dyspnea Differentiation.

Breathing Made Clear: A Structured Approach to Cough, Dyspnea & Respiratory Distress.

GI Decision-Making Made Simple: Vomiting, Diarrhea & Abdominal Pain Frameworks.

Liver & Pancreas Patterns: Making Sense of Enzymes, Pain & Pancreatitis Mimics.

Endocrine Clues: PU/PD, Weight Changes & Dermatologic Patterns.

Renal & Urinary Mastery: From Azotemia to Obstruction.

Skin Problems Decoded: Pattern-Based Dermatology for Everyday Practice.

Imaging for Diagnosis: Case-Based Interpretation of X-ray and Ultrasound Findings

# OUR CORE SPEAKERS

**Dr. K. G. Umesh**

Small Animal Consultant, Bangalore

**Dr. Adarsh Kumar**

Professor Surgery and Head Veterinary  
Clinical Complex, Palampur, H.P.

**Dr. Deepti Deshpande**

Diplomate AiCVIM- Cardiology | Consulting  
Veterinary Cardiologist & Anesthesiologist

# OUR GUEST SPEAKERS

## Dr. Prathmesh Deshmukh

(BVSc & AH, CVA)  
AcuMed Veterinary Specialty

## Dr. Gautam Unny

B.V.Sc, M.I.S.V.S.  
Founder, Amrita Pet Care Clinic

## Dr. Bhanu Dev Sharma

Cardiologist & Diagnostics  
Co-Founder, Max Vets Hospitals, Delhi
